Verse:

**A dry and thirsty land is reaching out again
Craving for the water that fully satisfies.
Use me once again; send water to this land,
Send the living water from Your throne.**

Chorus:

**Pour out!
Cause Your living water to pour out,
I need Your living water to pour out,
Your crystal clear water,
A dry and thirsty people need a taste of You.**

**Pour out!
Cause Your living water to pour out,
I need Your living water to pour out,
Your crystal clear water,
Pour Your living water through me,
Pour out.**
