

It's A New Day

Robbie Cochran & David Poindexter

**It's a new day for Your glory to shine
It's a new day for Your grace divine
It's a new day for Your mercy to show
Your love to flow
You will reign today**

**It's a new thing that You are doing
It's a new life You're breathing in me
It's a new world that I am living in
A new joy overflowing in me**
