

YOUR SONG (Sing Over Me)

Words & Music by Chris Nesbitt

Sing over me  
Your serenade of faithfulness  
Sing over me  
Your song of joy, Your words that bless

Cause it's like You, Lord, to give me hope  
And it's like You, Lord, to bless my life  
And it's like You, Lord, to fill me with Your song

Sing over me  
The sweetest song my ears have heard  
Sing over me  
And cleanse my soul with every word

Cause it's like You, Lord, to give me hope  
And it's like You, Lord, to bless my life  
And it's like You, Lord, to fill me with Your song

**Now I hear the sound of Your melody  
I can feel Your love consuming me  
It's better than it's ever been before  
You have saved my life, You have changed my name  
You have poured your goodness out like rain  
And now Your song is all I'm listening for**

*Sing over me  
Sing over and over*
